

FREQUENTLY ASKED QUESTIONS & IMPORTANT CLASS INFORMATION:

WHAT IS THE TOTAL COST?

Registration for each session (spring, summer, summer 1, summer 2, fall) is \$50. This \$50 covers all 7 or 8 classes in a session.

HOW CAN I PAY THE REGISTRATION FEE?

You may pay by credit card when registering or you may pay by check. If you indicated you would be paying by check, it can be mailed to The First Tee GCNKY, 4747 Playfield Lane, Cincinnati, Ohio 45226 or brought to class the first day of class. If your child is eligible for free school lunch or if paying this registration fee is a hardship for your family, there are scholarships available and you would just select scholarship as your form of payment.

DOES MY CHILD NEED GOLF CLUBS TO PARTICIPATE?

All equipment (clubs, balls, etc.) will be provided. However, students are welcome to bring their own clubs. If students are bringing their own clubs, please have their name clearly marked on each club and their bag.

WHAT DOES MY CHILD NEED TO BRING TO CLASS?

Since equipment is provided, students only need to bring a water bottle to class. After the first class, students will be given a yardage book. It is their responsibility to bring this to each class and to hold onto that book for each class/session while at that level.

WHAT SHOULD MY CHILD WEAR?

Students should dress for the day's weather and must wear sneakers or golf shoes. Collared polo-type shirts (tucked in) are preferred. Caps and sunscreen are recommended.

WHAT LEVEL IS MY CHILD?

All students new to The First Tee start at the PLAYer level. At each level, students learn core values/life skills, golf knowledge and golf skills. After completing the recommended class hours and, becoming proficient in the life skills, golf skills and golf knowledge taught at each level, the coach may recommend them to attempt "certification" to the next level. If you are a returning student and are unsure what level your child has achieved, please contact jeanne@thefirstteegcnky.com.

HOW DOES MY CHILD ADVANCE “CERTIFY” TO THE NEXT LEVEL?

The child's coach will speak with the child and parent regarding their recommendation to certify. Certification is typically held the week following the last week of class in each session. At some locations, the coach may choose to hold certification during regularly schedule class time. At all levels, certification is comprised of written assessments on life skills and golf knowledge, a golf skills assessment and a playing requirement. If a student completes their certification requirements, they can then register for the next level class at their next session.

WHAT IS THE ARRIVAL/DEPARTURE PROCEDURE?

Students should arrive 15 minutes prior to the class start time to check in, get their name tag and begin class on time. Parents should arrive just prior to the class end time to pick up their student. There will be a sign out sheet that parents/guardians/designated people must sign before your child is released from class. Please do your best to be prompt and respectful of everyone's time.

WHAT HAPPENS IF THERE IS INCLEMENT WEATHER?

Classes may be cancelled due to inclement or unsafe weather conditions. We use a web-based texting platform called Remind to communicate class cancellations quickly and efficiently with parents. The cell phone number you provided at registration is the number you will receive notifications. You will receive a welcome text from Remind. If you would like to register additional phone numbers to receive these notifications, text @rvplayerw to the number 81010 from that cell phone. These codes are specific to each class. If you have children in other classes, you will need to text their class code as well to 81010. You do not have to download the Remind app in order to receive the text messages. These codes are specific to each class. If you have children in other classes, you will need to text their class code that is found in their separate class confirmation email to 81010 as well. If you are unsure of your class specific Remind code, contact Jeanne@thefirstteeegcnky.com.

WHAT IF MY CHILD MISSES A CLASS?

Because classes fill to capacity, students cannot join another class to make up for a day they miss during a week. If possible, please notify the coach or Jeanne Siegel so we know not to expect them.
