

Dear Parents,

Thanks to partnerships in our area and generous donors nationally, we are excited to share with you local and national opportunities for our First Tee kids. We encourage participants to explore and get involved in golf, in First Tee, and in their communities in as many ways as possible. It's the best way to improve their golf skills and put the values, life skills and healthy habits to work.

We invite you to explore our network and local opportunities on our website. Local First Tee participants have attended leadership and golf academies, volunteered and interned with our chapter, and one participant even played Pebble Beach in a PGA event! In some cases, you must be in your teens and at Birdie, Eagle or Ace level, but it's never too early to see what you have to look forward to! Check back often as we continue to add opportunities.

Best,
Jeanne Siegel

CHECK OUT CURRENT OPPORTUNITIES

FIRST TEE NATIONAL OPPORTUNITIES

Check out the national opportunities hosted by First Tee home office. Leadership...Golf...Scholarships. These events are highly sought after and competitive but life changing. Check out the eligibility and an overview of this year's events. If any of these are something interesting now or in the future, let's talk and put you on the right track to succeed!

JOIN THE JUNIOR COACH PROGRAM

Kids ages 9-18 are encouraged to get involved in the chapter

by becoming a junior coach. Kids can start by helping us at events and around the clubhouse and as they grow up they can assist in classes and apply for paid internships. What a great way to get service hours for school!

[Learn More](#)

PGA JUNIOR LEAGUE

PGA Jr. League is open to both boys and girls, 13 and under, of all abilities! Teams play four 9-hole matches in a popular two-person scramble format, reinforcing the team concept and creating a nurturing environment for learning the game. This is a great introduction to competitive golf. **We have a limited**

number of scholarships available to kids interested in playing at Meadow Links & Golf Academy. Play begins in May. Interested families should contact jeanne@thefirstteeecnky.org.

ESTABLISH A HANDICAP

Establishing a USGA handicap index allows all golfers to compete fairly and equitably. All First Tee GCNKY students playing regularly-especially those interested in playing tournaments and competitions-should establish a USGA handicap index. Because First Tee-GCNKY is a member club of the Greater Cincinnati Golf Association First Tee participants are encouraged to join our club. This is free to active students who are par, birdie, eagle or ace levels. Memberships for 2020 will open March 15 but you can register at any time.

BECOME A CADDIE

Caddying is part of golf's heritage-the way golf was meant to be played-and part of its future. It is also a great way to learn the game and can be a valuable investment for your future.

We're fortunate that many area golf clubs have great caddie programs for you to consider. If caddying is a good fit for you, it can also be a terrific opportunity to for you to earn an Evans Scholarship-a full tuition and housing scholarship for golf caddies. To qualify, you must have a good caddie record, good grades, demonstrated financial need and outstanding character.
