

March 2020

## SPRING REGISTRATION CLOSES MARCH 13

There is only one week left to register for our 6 week spring session! Registrations after this date will incur a \$15 late fee. Classes begin the week of March 30th. No equipment needed! Scholarships available.

Don't forget to also check out our **Girls Golf series** for all levels and **Little Chippers classes** for kids ages 5-6. There are still spots available!

## VOLUNTEER KICKOFF BREAKFAST

Returning and prospective volunteers are invited to join us Sat, Mar 14, 9-11, at our Reeves Clubhouse (4747 Playfield Lane) for a chance to enjoy a light breakfast, visit with each other, and hear about 2020 volunteer opportunities as well as catch up on important First Tee GCNKY news.

RSVP to [Alex@thefirstteegcnky.org](mailto:Alex@thefirstteegcnky.org).

## 2020 FIRST TEE GCNKY GOLF OUTING

Did you know the golf outing is our largest fundraiser of the year? There are three ways to be a part of it and further help us grow our mission:

1. **Serious golfers are invited to join us for the Golf Outing at Maketewah Country Club** on Monday, May 18. It will be a true experience to play the course the week following their US Open qualifier. Our golf field is limited to 25 foursomes and fills up quickly. Don't delay!
2. **Become a sponsor!** Multiple sponsorship levels available!
3. **Join us at the kickoff party, A Night FORE the Kids**, on May 15 at Taft's Brewporium!

## GOLFMANIA IS BACK

The Masters is less than a month away! Buy your GolfMania tickets now to see if your fantasy team will win one of the

majors, while helping out our chapter! Each ticket includes a game card with four random groups of five golfers--a different group for each of the four majors. Cash prize payouts (up to \$2K) for each major are based on your group's combined total score.

\$20 per ticket. Buy 5 for \$100 and get a 6th ticket free! Seventy percent is a donation to our Chapter!

## Volunteer Spotlight - University of Cincinnati

We are thrilled to continue our partnership with Ms. Rachel Gleason and her fourth year students in the undergraduate Health Science program in the College of Allied Health Sciences at the University of Cincinnati. Students are required to take the Exercise and Special Populations course, a culminating course in the Health Sciences Program. Here they apply

concepts and principles from anatomy, exercise physiology, kinesiology and other prior course work as they take a deeper look at exercise and activity for special populations. Gleason says, "A primary component of the course is participation service learning which pushes students outside the classroom to serve a community organization. Students are paired with community sites that foster exercise for a special population such as youth, seniors or children with disability. First Tee GCNKY is a valuable partner, providing UC students the opportunity to gain hands on experience teaching both life and golf skills to kids while also learning the importance of community service."

**Thank you!**
