

Hi, Friends!

We wanted to take a moment to share something exciting we've developed for the coming weeks! Each week, you will receive an email from us with some ideas to incorporate First Tee Curriculum into your daily life! We will have fun activities planned and ways to use household items to re-create some of the activities you experience in your First Tee classes. You will hear from a member of our staff and/or coaches who will share something they are doing to stay active while spending more time at home. Like us on Facebook to follow along and share how you are incorporating the activities! We would love to see and hear from you!

Do you have to be a First Tee GCNKY participant to join the fun? NO WAY! Everyone is welcome! Pass this along to fellow classmates. They can click [here](#) to join our newsletter and receive each week's ideas!

We can't wait to hear from you!

Alicia Lawrence
Executive Director

Weekly First Tee Spotlight...

per·se·ver·ance

to persist in an idea, purpose or task despite obstacles

To succeed in golf, players must continue through bad breaks and their own mistakes, while learning from past experiences.

Participants- it might feel like a pretty big obstacle to have to complete your school work for a few weeks without your teachers and away from school, right!? Well, we want you to show us how you are showing perseverance! Did you set up your own desk or create a special place to read at home? Did your caregiver develop a schedule for you? Tag us on Facebook to win this week's First Tee GCNKY Prize Pack!

Parents and Caregivers- Fitting value...perseverance... need we say more!? You all have got this. We believe in you and we can't wait to spend time with your kiddos in classes soon. We wish you all the strength you need to rock this!
