KEEPING KIDS SAFE WHILE GETTING BACK TO PROGRAMMING

Dear First Tee GCNKY Parents:

Seven months! It's been that long since we've been together in First Tee classes at our local golf courses! Over the next few weeks, we will be welcoming you back to classes and we couldn't be happier to see you and your kiddos again!

In our classes there will be some operational changes, and we are confident that we can keep Playing it Safe at First Tee GCNKY! I also personally ask for your patience, a great deal of planning and behind the scenes work has taken place with our partners at six area golf courses.

Whenever I have the opportunity to speak to parents, I always make a point to thank you for trusting us with your children. First Tee curriculum is more relevant now than ever. At our chapter, we ask ourselves three questions-

- Are the kids safe?

- Are they having fun through the curriculum and class activities?
- Do they want to come back?

All of the changes are intended to keep the first question a resounding yes so that we can continue delivering classes in a fun and engaging manner. We want your children to grow up with us and that hasn't changed despite our current circumstances.

Below, please find a link to our website for the full release statement which will provide safety protocols and what you can expect to see in our classes.

FULL STATEMENT & SAFETY PROTOCOLS

If you have any questions, please don't hesitate to reach out to me directly- alicia@firstteegcnky.org or 513-988-7226 Ext. 4.

See you soon!
Alicia
