

Building our Growth Story

For two decades First Tee has helped kids write their growth story. Now, we are writing ours.

We took a page out of our own yardage book. We've reflected on who we are, what makes our work meaningful, and how we can continue showing up in the ways that matter for kids today.

Together, with our entire First Tee network that spans 150 chapters across the U.S. and select international chapters, we're unveiling a refreshed First Tee as we bring our work to life in a new expression this week. Just like we guide kids in their journey — we're not changing who we are; we're growing into what we can become.

Thank you for being a part of our growth story. Together, we're *Building Game Changers*.
