

At the end of each year, we look back and conduct a good, better, how. What did we do well this year? Where can we get better? How can improve in those areas? We conduct surveys and have many conversations with our First Tee GCNKY family to find this information and understand the impact we are having on the youth in our community.

We are excited to share our stories with you. It's through our youth, alumni, coaches, parents and volunteers that we can understand the true impact we are having in our community. Stay tuned for these stories in the New Year and in the meantime, here is a glimpse into what people are saying about First Tee - Greater Cincinnati & Northern Kentucky:
