

## Building Game Changers

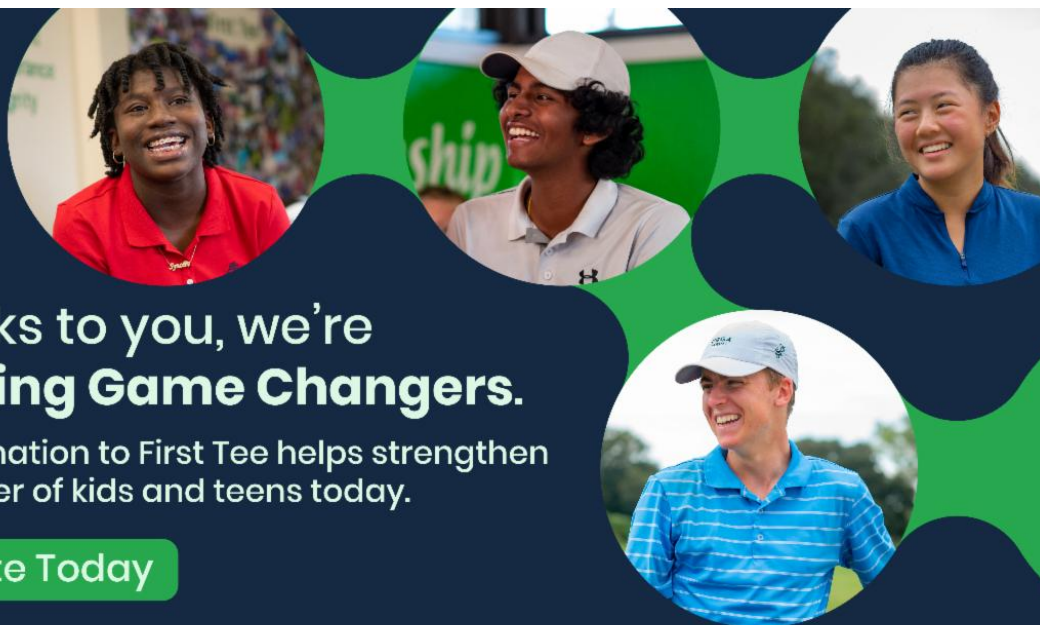

What a year! 2020 brought unique challenges and opportunities to our lives and our community. We have adapted, pivoted and grown to meet the needs of our kids. When schools shut down in March, the week before our spring classes started, we launched Homeschool Golf School to engage with our kids and allow them to continue growing with us. We seek to inspire kids, but through the onset of the pandemic they were the ones who inspired us with their resilience.

We invested great effort and care into creating a plan to safely resume classes. Our staff outlined safety protocols and opened summer registration not knowing how our First Tee family would respond. We were thrilled by the overwhelming positive response and served many happy kids this past year:

- 100% of families who completed our summer feedback survey were comfortable/very comfortable with our safety measures
- 96.9% of those parents indicated they likely/definitely will continue participating in our future programs
- 97.5% of parents this fall indicated that their child had fun and were interested/engaged during classes
- 100% of families are likely/extremely likely to recommend us to others

We exist to enable kids to build the strength of character that empowers them through a lifetime of new challenges. None of this would be possible without your support. It's your continued support of our mission that fuels the growing impact we make in our community.

Please consider making a year-end contribution today!

Thanks to you, we're  
**Building Game Changers.**

Your donation to First Tee helps strengthen character of kids and teens today.
