At First Tee - Greater Cincinnati & Northern Kentucky, we help kids and teens discover what's inside them, guide them to strengthen it and mentor them to put it into action in everything they do.

"The First Tee was a family experience from the very beginning in many senses. I was in classes with my brother, my parents volunteered, and I later was able to watch my sister benefit from the program. I cultivated friendships with coaches and students alike that have lasted throughout my many years after graduating from the program...In a nutshell, the First Tee has encompassed many facets of my life and I can't imagine what it would look like without the indelible impact it has made." - Katie Frey, First Tee - GCNKY Alumna

By integrating our life skills curriculum with the game of golf, we are creating active learning experiences that build inner strength, self-confidence and resilience, which is more important now than ever.

Your donation to First Tee - Greater Cincinnati & Northern Kentucky allows us to continue creating experiences that empower kids and teens. Thank you for partnering with us to provide opportunities where our young people feel supported, safe and better prepared for anything that comes their way.

We are currently serving more than 650 kids and teens annually at 6 program locations, with support from over 100 volunteers. Additionally, First Tee has been introduced in local schools, in youth centers and in partnership with other youth organizations throughout the community reaching more than 10,000 kids and teens.
