Incredible Support for Golf Marathon

Hosting an event during a pandemic may be a delicate task, but this community came together and blew us away with their generosity! Earlier this month on what turned out to be a beautiful fall day, twenty golfers stepped up to our challenge and played 100 holes of golf. They reached out to their friends, families and colleagues, spreading the word and bringing awareness of First Tee - GCNKY. Close to 250 people rallied behind these golfers to support them and help grow our mission. With their help, we raised over \$35,000! That's incredible! Thank you!

And if that isn't enough, the day concluded with an outdoor, socially distanced volunteer appreciation dinner for our volunteers and coaches who give their time, their talents and their heart to our organization. THANK YOU!

We are excited to carry the momentum from this event into 2021 and beyond! Mark your calendars and join us on October 5, 2021 for another 100 holes!

"The best part about being a coach...is the kids. When you see that click in the child's head of what you taught them, and see them so excited that what they learned is working... there's nothing like it!"

-Coach Emilie
