

4 Exciting Things Happening this Fall

How many? 350!

Our fall classes are underway full of new and familiar faces...350 to be exact! 350 kids gaining confidence through character building classes while learning a game they can play for a lifetime! That's awesome! Thank you to our partners at each of programming locations for welcoming these kids this fall! Thank you to all the amazing coaches and volunteers who continue to impact the youth in our community. Through a trying year, we have persevered and have come together to continue our commitment to the youth of our community.

If your child did not get into one of our classes this fall, don't worry! We will be in touch to ensure they have a spot in 2021!

Join us for 100 Holes of Golf!

The only thing better than playing a lot of golf, is playing for a good cause or supporting someone who is playing for a good cause. On Monday, October 5, golfers will race until sundown to complete 100 holes of golf to support our mission to impact the lives of young people in our area by providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf. Would you like to join us on the course or support one of our golfers?

Building Game Changers

We bet you have noticed our new logo by now! Along with our entire First Tee network, we recently unveiled a refreshed First Tee. We have always been about helping kids navigate challenges, and to grow stronger as they move through them and we still believe the game of golf is the perfect platform for personal growth. We are excited to bring forward a powerful mission and a modern look and feel to everything we do. We can't wait to share more with you! Follow us on Facebook and Instagram! Together, we're *Building Game Changers*.

Save the Date!

Each November, we celebrate all of our First Tee kids at The PLAYer Experience. While doing so, we hope to inspire everyone with our PLAYers stories. We will recognize kids who passed certification to advance to the next level of First Tee. We will also have a special send off for our seniors graduating in 2021.

This year will look a little different, but we will still be celebrating so mark your calendars for

the morning of November 7 and stay tuned for more details!
