

To Our First Tee - GCNKY Family,

Despite the challenges of 2020, I am so proud of our staff and coaches for their resiliency and commitment to finding a way to safely create experiences for so many children in our community.

Our kids have the opportunity to grow up with us. We build experiences that build character. We equip our kids with the strength, confidence and resilience they need to tackle all of life's challenges. And they learn all of this while perfecting their golf game, something they can play forever! I want to share a note we received from an Eagle participant recently:

**"Thank you for your countless hours of help on and off the golf course. Each of you has encouraged me every step of my way through the First Tee program. I truly enjoy my time with First Tee and am grateful for the opportunities you provide to not just play but to learn the game, practice the core values, volunteer for the organization, and coach. First Tee has helped me set goals and dreams for my future and provides me a space to grow and be myself. Thank you for this amazing opportunity and experience."**

Notes like this mean everything and we couldn't provide this experience without each of you. Thank you to all of our volunteers, donors, board and committee members, participants and their families. Thanks to each of you for all you do to push our chapter forward. I'm excited for the possibilities of 2021 and we are excited to continue **Building Game Changers!**

We hope that 2021 brings you peace and joy.

Thank you,  
Alicia
