

## **2021 Schedule is Here!**

It's time to start planning activities for your kids in 2021! Today we are releasing our 2021 schedule for our teaching locations in Hamilton, Clermont and Kenton counties with additional classes being added to the schedule for Butler and Warren counties in March. **Spring registration will open Monday February 8, so mark your calendars!**

### **What's new this year?**

- Designated class for tweens and teens who are just starting First Tee - ages 10 and above. These classes combine the first two levels of First Tee to allow older kids to stay with their age group while jump starting the curriculum. Look for PLAYer - Tweens and Teens classes.
- LPGA Girls Golf Series will run throughout the year with monthly themed events. These classes can be taken in addition to your child's Life Skills classes throughout the year. **Details coming soon!**

### **Who can join?**

- Kids ages 5 and 6 to join Little Chipper classes throughout the year!
- All kids age 7 or older will begin at the PLAYer level, regardless of age or ability.

### **How does First Tee work?**

- All kids begin at the PLAYer level and progress through 5 levels by demonstrating inner strength, character, and life and golf skills they have learned.

### **Do I need equipment?**

- No clubs? No problem! We supply all equipment needed for all of our classes.

### **How much does it cost?**

- Our registration fees cover all classes in a session. So if the session consists of 6

classes, that registration fee covers all classes in that session. Fees vary depending on level. See complete listing for prices.

The pandemic has certainly affected our kids and they are craving social interaction. Our First Tee coaches seamlessly integrate the game of golf with a life skills curriculum to create active learning experiences that build inner strength, self-confidence, and resilience - something we all need, now more than ever! Safety protocols will continue to be used this year in all of our classes. For more information on these measures, [click here](#).

**We can't wait to see all of you in 2021!**

## Did You Miss the News?

Last week we announced our expansion to Butler and Warren counties in Ohio!

**Beginning in Summer 2021, we hope to offer classes at various locations! We are currently meeting with courses and will release a summer schedule for Butler and Warren this March!**

We invite you to visit our dedicated page to learn more about the expansion plans.

## We Need Your Help!

As we gear up for the upcoming year, we are looking for volunteers at all of our teaching locations, including Butler and Warren counties. With our numerous class offerings, we are sure to find a class that will fit your schedule.

All classes are led by a First Tee trained Head Coach who is assisted by our volunteer coaches. You do not have to be a great golfer! Head Coaches will guide you on your role in the class.

- Are you a past volunteer that would like to continue with us this year? Email [Ben@firstteegcnky.org](mailto:Ben@firstteegcnky.org) and let him know you would like to come back!
- Do you find that you have some extra time on your hands and would like to have an impact on the kids in our community? Let us know!
