

Spring Registration Opens Monday!

Monday, February 8 is the start of spring registration. Our Spring Session begins the week of March 29 at five area teaching locations. Classes will meet once a week for 6 weeks.

I'm new and not sure which class to sign up for?

- All kids ages 7 and older start at the **PLAYer** level, held at each of our golf courses.
- **PLAYer Tweens and Teens** - Only at Reeves GC. This class is designated for tweens and teens who are just starting First Tee - ages 10 and above. We will combine the first two levels of First Tee to allow older kids to stay with their age group while jump starting the curriculum.
- **Little Chippers** - 5 and 6 year olds are invited to join one or multiple classes for an introduction to golf and First Tee.
- **LPGA Girls Golf Series** will run throughout the year with monthly themed events. These classes can be taken in addition to your child's Life Skills classes throughout the year. **Details coming soon!**

No clubs needed and scholarships are available!

Due to COVID, our class sizes are smaller. Don't delay in signing up. Questions? Please contact Alex Hill at Alex@firstteegcnky.org or 513-988-7226 x2.

We can't wait to see all of you in 2021!

Coach Bill Wins Heart of First Tee - GCNKY Award

Last month, we were honored to have our long time golf instructor, Bill Donaldson, speak to staff and board members. Armed with his huge smile and sense of humor, he told us about his history with First Tee - since our beginning! He reminisced about how he has seen the chapter grow and what he sees in the kids. It's all about the kids. "Family. It feels like a big hug," Bill said of the impact First Tee has brought to his life.

We were thrilled to surprise and award Coach Bill with the 2020 Heart of First Tee Award at this January meeting. He was nominated because of his commitment to our kids and organization, for going above and beyond to meet their needs, and for

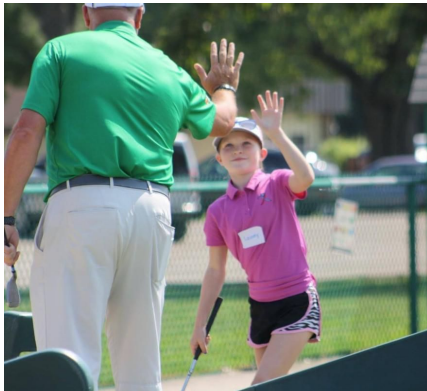

demonstrating and instilling values and life skills on our kids and teens. First Tee may have impacted Bill's life, but his impact on First Tee kids has not gone unnoticed and the reach is far. Every summer, if Bill isn't on the driving range, young adults and alumni drop into the clubhouse asking if Coach Bill is around.

"Coach Bill has had quite an impact on my son as a positive community member but also as an amazing teacher on the tee and on the course. He has helped instill life long skills, the ability to laugh while being competitive and the ability to recognize when he is doing something well....even if there's much room for improvement," said one parent who nominated Bill.

Congratulations Coach Bill!

We Need Your Help!

Volunteers are needed at all locations- spring, summer and fall!

All classes are led by a First Tee trained Head Coach who is assisted by our volunteer coaches. You do not have to be a great golfer! Head Coaches will guide you on your role in the class.

Sponsors Wanted!

Our 2021 Golf Outing will be held May 10 at Maketewah CC. This is our main fundraiser each year and we would like to thank all of our golfers and sponsors from years past for supporting our mission.

This year the field is filling fast but we are still in need of sponsors. This event is well-targeted exposure for your business and directly impacts our
