

New Year... New Opportunities

 **first tee**
greater cincinnati
& northern kentucky

Welcome Kids and Families of Butler and Warren County!

With the New Year, we are excited for new opportunities to keep **Building Game Changers** in our community. We help kids build their growth story, and after 15 years, we're writing a new chapter of ours. **We would like to welcome the kids and families of Butler and Warren counties to our First Tee – GCNKY family!**

"Providing the youth of Butler and Warren counties continued opportunities for learning life skills through the game of golf is an honor for First Tee – GCNKY," said Jim Muething, First Tee – GCNKY Board President.

Planning is currently underway. As we continue to develop relationships in these counties, we want to keep you informed and get people involved now so when summer rolls around, we are ready!

We invite you to visit our website's dedicated page to learn more about the expansion plans and ask that you share with your friends in Butler and Warren counties.

2021 Schedule Coming Soon

Like most non-profits, we depend on volunteer power. More than 100 volunteers helped make 2020 a success! Expanding into 2 more counties will require more help from our friends. If you are looking for a rewarding volunteer experience, join us in 2021! Do you have friends in Butler and Warren County that would be the perfect role model for our kids? Send them our way!

We are so excited to get back to programming and see all of the kids. Our 2021 programming schedule will be released January 13th for our programming locations in Hamilton, Clermont and Kenton counties. Registration for spring classes at these locations will open February 15!

We hope to release the 2021 schedule for summer programming in Butler and Warren counties in early March.
