## 100 Holes of Golf Marathon

### Raise Money, Earn Prizes!

Our 2020 Golf Marathon was a HUGE success!! With the help of our golfers and their supporters, we raised over \$35,000 for the kids in our community.

Let's do it again this year!!

*"The golf marathon was an awesome experience. A long day of golf with good company benefiting a great organization that reaches amazing kids. What could be better? It was especially awesome to play that 100th hole and see everyone from the Volunteer Appreciation dinner there to cheer us on." – Matt Davis*

Participants will play in a race to sunset to complete 100 holes of Golf on:

**Monday, Oct. 4, 2021 @ Reeves Golf Course.**

There is no cost to play. We ask that you commit to raising \$250 via donations from family and friends. Each player will have their own online fundraising web page that you can share with your network.

Play on your own or sign up with a relay team with friends!
